CHANGING THE LANGUAGE

If Stud.IP does not automatically switch to english (depends on the language settings of your browser), you can change it the following way:

The image shows a two-step process for changing the language in Stud.IP. On the left, a user menu for 'Ralf Frenger' is shown with a red circle '2' next to the 'Einstellungen' (Settings) option. A blue arrow points to the right, where the 'Einstellungen' page is displayed. On this page, a red circle '3' highlights the 'Sprache' (Language) dropdown menu, which is open and showing 'Deutsch' and 'English'. A red circle '4' highlights the 'Speichern' (Save) button at the bottom of the settings page.

START PAGE OF STUD.IP

The screenshot shows the STUD.IP start page interface. At the top, there is a header bar with the JLU Gießen logo, a search bar, and a user profile icon. Below the header, the main content area is divided into several sections. On the left, there is a sidebar with 'Jump marks' (Quicklinks, Announcements, My current dates, Questionnaire, Faculty news, Activities) and 'Actions' (+ Add widgets, ✓ Restore default). The main content area features a 'Quicklinks' section with links to 'My courses', 'Meine Räume', 'My profile', 'My planner', 'Search', 'Files', 'Schwarzes Brett - Kleinanzeigen', and 'Help'. An orange box with the text 'Add your courses' is overlaid on the 'My courses' link, with an arrow pointing to it.
